Here are the rules:

There are no clues for this puzzle other than the provided pairs of letters - fill in the blank squares such that they make valid words with both pairs of letters. A slot may have more than one possible answer, but only one of them will fit the grid!

Below is an example of a solved section:

	A I	R E		
--	--------	--------	--	--

P	A I	R E	T	Y
---	--------	--------	---	---
